COOPERSTOWN AWAITS 'BASEBALL'S GREATEST LEADOFF HITTER'

HENDERSON TO BECOME 15TH ATHLETIC INDUCTED INTO HALL OF FAME JULY 26

The greatest leadoff hitter in baseball history has a date with Cooperstown this year. On Sunday, July 26, Rickey Henderson—the pride of Oakland, Calif. and his hometown team, the Oakland Athletics—will stride to the podium in upstate New York and join the game's immortals.

And while fans and media are sure to join in the discussion, there should be no debate: Rickey was, indeed, the greatest leadoff man the sport has ever known. Better than Cobb. Better than Rose. Better than Brock. Better than Wills.

Henderson, who was born in the shadow of the Oakland-Alameda County Coliseum and graduated from Oakland Tech High School, played 25 Major League seasons, including four stints with the A's that spanned 14 years (1979-84, 1989-93, 1994-95, 1998). And during that quarter century of baseball, the mercurial outfielder posted unprecedented offensive numbers.

He set Major League career records for runs scored (2,295), stolen bases (1,406) and walks (2,190, later eclipsed by Barry Bonds), and banged out 3,055 hits, 297 home runs and 1,115 RBI, with a .401 on-base percentage. He also hit 81 home runs leading off a game, still a Major League mark.

Some of his most shining moments came in an Oakland uniform. In 1982, he shattered the single-season record by stealing 130 bases. In 1989, he rejoined the A's through a mid-season trade with the Yankees and help propel Oakland to its last World Championship. Then in 1990, he was voted the American League MVP after batting .325 with 28 home runs, 119 runs scored and 65 stolen bases for the Athletics' AL title team. And perhaps his crowning achievement came in Oakland in 1991, when he broke Lou Brock's career stolen base record, lofting third base high above his head in exultation as captured in one of baseball's most famous photos.

On Jan. 12, the Hall of Fame announced that Henderson had received 94.8% (511 of 539) of the votes cast by Baseball Writers Association of America. He became only the 44th player in history to be elected into the Hall on the first ballot. He also joins Jim "Catfish" Hunter (1987), Rollie Fingers (1992), Reggie Jackson (1993) and Dennis Eckersley (2004) as the fifth Oakland A's player to be elected into the Hall of Fame.

A'S TO CELEBRATE 20TH ANNIVERSARY OF 1989 WORLD CHAMPIONSHIP SEASON

Twenty years ago, the Oakland Athletics fielded one of the best and most historic teams in franchise history.

Barreling to a Major League-high 99 regular season victories, Tony La Russa's club featured extraordinary balance and talent. En route to their fourth World Series championship in Oakland, the A's dominated the playoffs like few teams in baseball history, posting an 8-1 record in throttling Toronto in the ALCS in five games and sweeping the San Francisco Giants in the 1989 "Battle of the Bay" World Series—which remains best known for an earthquake than the meeting of crossbay rivals.

Anchored by an extraordinary pitching staff that fashioned 20 shutouts, the A's featured a remarkable starting rotation comprised of Dave Stewart (21-9), Mike Moore (19-11), Storm Davis (19-7) and Bob Welch (17-8), plus a future Hall-of-Fame closer in Dennis Eckersley, who walked only three batters in 57.2 innings that season.

Another future Hall of Famer, Rickey Henderson, rejoined the team in a mid-season trade with the Yankees, and went on to capture the American League Championship Series MVP award by batting .400 against the Blue Jays. The consummate leadoff hitter, Henderson topped an A's lineup that offered every weapon imaginable. Beyond Rickey's speed and base-stealing prowess, the team boasted lethal middle-of-the-order power in Mark McGwire, Jose Canseco and Dave Parker, a truly professional hitter in Carney Lansford, who batted .336 as the American League batting runner-up, and outstanding leadership in Terry Steinbach and Dave Henderson.

In fact, the only thing that could stop the Oakland Express in 1989 was a natural disaster. On Oct. 17 at 5:04 p.m., just minutes before the first pitch of Game 3 at Candlestick Park, a 7.1 earthquake struck the Bay Area. Major League Baseball Commissioner Fay Vincent, who was in attendance, decided not to play Game 3 that evening. Later, after sensing the magnitude of the quake, Vincent announced that the World Series would not resume until Oct. 27. Following the 11-day hiatus, La Russa's club completed its four-game sweep, outscoring the Giants by a combined 32-14 margin.

This season at the Oakland-Alameda County Coliseum, the Athletics plan to commemorate the '89 World Champs and that improbable earthquake World Series with special promotions and activities during the home schedule. For more information, go to the team's website at www.oaklandathletics.com.

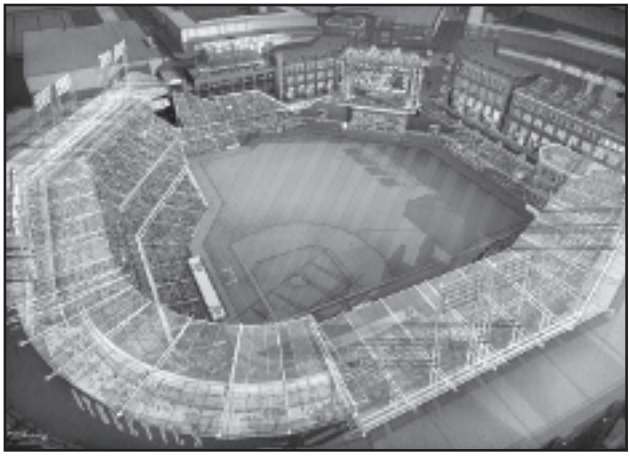
CISCO FIELD – FUTURE HOME OF THE ATHLETICS



On November 14, 2006, Oakland A's owner and managing partner Lew Wolff announced the A's had agreed to purchase a 143-acre parcel of land in the City of Fremont from Cisco Systems, with the intent of constructing a new, state-of-the art baseball park that will become a destination attraction for fans throughout the Bay Area and beyond for generations to come. Six months later on May 10, 2007, Wolff completed the land transaction agreement with Cisco and ProLogis, giving the A's ownership group control of 226 acres of land in the Pacific Commons area of Fremont, enabling the new Cisco Field and baseball village proposal to move forward, pending approval from the City of Fremont.

The state-of-the-art baseball-only stadium will be named Cisco Field as part of a 30-year naming rights agreement with one of the world's leading companies. With a projected seating capacity of 32,000, Cisco Field will be the most intimate ballpark in the Major Leagues.

A significant portion of the 226-acre area will be devoted to a new real estate development with residential, retail and other commercial components. This ballpark village will include a maximum of 3,150 new multi-family housing residences. It is envisioned that a significant number of the units will be designed as townhouse/row housing, creating urban streets reminiscent of the brownstone neighborhoods found in the eastern United States.

A total of approximately 540,000 square feet of high-quality retail/residential mixed use is also planned for the project with a significant portion of the retail area serving as a regional lifestyle center and neighborhood retail in a "Main Street USA" environment adjacent to the ballpark.

The estimated cost of the Ballpark Village project is approximately $1.8 billion. The project will be primarily financed by a combination of private equity and real estate development proceeds generated by the ballpark and the surrounding village.

360 Architecture, with offices in Kansas City, Mo., Columbus, Ohio and San Francisco, and Gensler, with offices worldwide, will serve as the primary design companies for the ballpark.

Cisco Field will be located in Fremont, which is approximately 22 miles to the south of the Oakland-Alameda County Coliseum, five miles north of the Santa Clara County line and 12 miles from downtown San Jose. With a population of more than 210,000 people and an area of 92-square miles, Fremont is the fourth most populous city in the Bay Area and California's fifth largest city in area. The ballpark site is proposed to be located on the west side of Interstate 880 off the Auto Mall Parkway.

The partnership with Cisco also includes a broad marketing and business agreement, which will underscore the A's commitment to create a unique fan experience by leveraging state-of-the-art network technology throughout the ballpark and franchise operation. As a result, Cisco Field will be one of the most technologically advanced stadiums in the world and will demonstrate the positive role technology can play in sport, entertainment and connecting communities. Cisco's technology will be used to enhance every facet of the stadium, from ticketing and concessions to management of game day operations.

The partnership allows Cisco to utilize the facility for corporate and community events and to create a Cisco Customer Solutions Center at the ballpark in an effort to showcase the use of networking technology in a stadium. Cisco becomes the "Official Technology Partner of the A's and Cisco Field" and the A's will deploy Cisco technology to serve the needs of Cisco Field and the baseball village.

Groundbreaking on the project will commence once the A's gain approval from the City of Fremont, Alameda County and other government agencies, with construction time taking between 24-36 months.

- $1.8 billion for the entire project, excluding land cost.

EXECUTIVE PROFILES

LEWIS WOLFF

Owner and Managing Partner

Heading a limited partnership group that purchased the Oakland A's on April 1, 2005, Lew Wolff has wasted little time in emblazoning his stamp on one of baseball's most successful and storied franchises.

Shortly following the completion of a memorable 2006 season that saw the A's secure their fifth postseason appearance in seven years and advance to the American League Championship Series, Wolff ushered in a new era of A's baseball in the Bay Area with his announcement of the control of a 200-acre parcel of land in the City of Fremont, with the intent to build a new ballpark for the A's. The transaction also includes a 30-year naming rights agreement with Cisco Systems, the worldwide leader in networking for the Internet. Estimated to open sometime before the 2013 season, Cisco Field will be the centerpiece of a baseball village that will also feature residential housing, restaurants, retail shops and other community attractions.

Wolff's impact on the Bay Area sports landscape is not limited to baseball. In May of 2006, he reached an agreement with Major League Soccer in an attempt to bring professional soccer back to the Bay Area. The expansion San Jose Earthquakes returned to action this spring, playing their home games at Santa Clara University's Buck Shaw Stadium and the Oakland-Alameda County Coliseum. Wolff and the Earthquakes ownership group continue to work on securing a soccer-only facility for the team in the South Bay.

Under Wolff's ownership, the A's continue to be one of the most community-minded organizations in all of sports. Last year alone, the A's Community Fund donated approximately $650,000 to various community programs. In 2006, the Wolff family implemented "Dinner on the Diamond," which has raised $362,000 over the last three years for the A's Community Fund. Lew is also an active participant in the A's Home Run Readers program.

It's no wonder *The San Jose Mercury-News* has ranked Wolff first two of the past three years (2006 and 2007) in its annual listing of the Bay Area's 25 Most Powerful Sports Figures.

This past September, the Silicon Valley Leadership Group presented Wolff with its prestigious "Community Cornerstone Award." The award is given to "a Silicon Valley leader who has displayed a lifetime of impeccable ethics, business achievement and community engagement."

Along the way, the personable Wolff has made a favorable impression among those who follow the team on a regular basis with his easy-going, straight-forward manner and quick-witted humor.

Wolff is the founder of Wolff Urban Development and co-founder of Maritz-Wolff, entities that are involved in the development, acquisition and management of a wide range of commercial, office, parking and hotel properties in a number of California cities including San Jose, Los Angeles, Pasadena and Burbank to name a few.

Wolff's ownership interests in representative hotels and resorts include properties such as The Carlyle in New York City; Four Season Hotels in Houston and Carlsbad; The Ritz-Carlton in St. Louis; Fairmont Hotels in San Jose and San Francisco; Rosewood managed hotels including The Mansion in Dallas, Little Dix Bay, Virgin Gorda, Inn of the Anasazi, Sante Fe plus other brands such as Marriott. In addition, Maritz Wolff has a 50 percent interest in the Dallas-based Rosewood Management Company, which owns and operates luxury hotels and resorts throughout the world.

Wolff began his career in real estate economics and appraisal in his hometown of St. Louis, Mo. before relocating to Los Angeles. In addition to his real estate analysis work, he also served as the president of the 20th Century Fox Realty & Development Company where he managed Fox' worldwide real estate activities.

Wolff is a former minority owner of the St. Louis Blues, the Golden State Warriors and the San Jose Missions, a now-defunct minor league baseball team. He holds a bachelor's degree in business administration from the University of Wisconsin in Madison, a master's degree in business administration from Washington University in St. Louis and is also a member of the American Institute of Real Estate Appraisers (MAI).

He recently was appointed to the Board of Directors of the new MLB Television Network, which launches in January with an unprecedented 50 million subscribers, and he continues to serve on the board of Major League Baseball's Enterprises, which oversees national television and radio contract negotiations, national sponsorship and licensing programs as well as the overall marketing of the industry.

Lew resides in the Westwood section of Los Angeles with his wife, Jean. The Wolffs have three children and three grandchildren.

MICHAEL CROWLEY

President

Michael Crowley, one of the rising executives in professional sports today, enters his 12th year with the Athletics' organization and his 11th as team president. He was named to his current position Sept. 28, 1998 and his tenure as president ranks second longest in Oakland history (since 1968).

A limited partner in the Athletics ownership group, Crowley is responsible for the overall day-to-day functioning of the Athletics' organization both on the business and baseball sides of the operation, working directly with owner and managing partner Lew Wolff.

In a dual role, Crowley also serves as president of the Major League Soccer's San Jose Earthquakes. He oversaw the Earthquakes' first-year launch in 2008, and he continues to spearhead the team's efforts to build a new state-of-the-art, soccer-only stadium in San Jose.

After spending three years in the San Jose office of Price Waterhouse and nine years with I.C.I./Fuller O'Brien Paints, Crowley joined the Athletics organization in July 1997 as vice president and chief financial officer. Considered a key figure in the A's resurgence as one of baseball's elite franchises, Crowley has been committed to fielding a championship caliber team with homegrown talent. He works closely with General Manager Billy Beane on key player decisions and issues relating to the baseball operations' overall objectives and philosophies.

Crowley has developed a business model with goals and objectives designed to provide an affordable entertainment product on the field, as well as delivering the absolute highest levels of customer service to fans attending games at the Oakland-Alameda County Coliseum. While Crowley stays involved with all aspects of the organization's business affairs, including finance, sales, marketing, public relations and community affairs, he has been at the forefront of building an outstanding team that continues to deliver premium value.

Crowley's leadership skills and business acumen were evident as he played an instrumental role in the negotiations surrounding the team's acquisition of a 143-acre parcel of land in Fremont, which will serve as the future home of Cisco Field. He continues to take a lead role in the development of the ballpark and surrounding village.

The A's president also perpetuates the Athletics' tradition of commitment to the greater community. Under his leadership, the A's organization continues to be active in the Oakland community and surrounding areas. The Oakland A's Community Fund supports charitable organizations in their efforts to improve educational programs, aid the underprivileged, assist in crime prevention, service children, seniors and those who work to improve the quality of life throughout the Bay Area.

In 1999, Crowley and his wife, Kathy, played a key role in implementing Breast Cancer Awareness Day, which has raised over $1 million for the American Cancer Society over the last 10 years. Crowley currently serves on the Board of Trustees of the Knowledge is Power Program (KIPP), which aims to create a respected, influential and nationwide family of schools that are successful in helping educationally underserved students develop the knowledge, skills and character to succeed in college and the competitive world beyond. He also served on the board of top business executives and community leaders which attempted to land the 2012 Summer Olympic Games in the Bay Area.

A native Californian, the 45-year old Crowley graduated from the University of Notre Dame in 1985 with a degree in business administration with an emphasis in accounting. He earned his MBA from Duke's Fuqua School of Business in 1992. In November of 2002, Crowley was named one of *Street & Smith's Sports Business Journal's* "40 Under 40", honoring the nation's top sport executives under the age of 40.

Michael resides in Cupertino, Calif. with his wife, Kathy, and their three children.

BILLY BEANE

Vice President, General Manager

Considered one of the most progressive and talented baseball executives in the game today, Billy Beane has molded the Athletics into a perennial postseason contender since assuming the general manager's duties shortly following the 1997 season.

Under Beane's watch, the A's have compiled a 976-804 (.548) record over the last 11 seasons, which is the third-best record in the American League and fifth best in all of baseball during that time frame; won four American League West titles (2000; 2002-03; 2006) and secured one AL Wild Card spot (2001). Over the last nine seasons dating back to the 2000 campaign, the A's have compiled an 815-641 (.560) record, which is the third-best record in the American League and fourth-best mark in the Majors. His teams have posted 90 or more wins in six of the last nine years. The A's five postseason appearances since the 2000 season are tied for the fourth most among all Major League teams, trailing only New York-AL (8), Atlanta (6) and St. Louis (6).

In addition, Oakland A's players have garnered numerous individual accolades during his tenure as general manager. Jason Giambi and Miguel Tejada earned American League Most Valuable Player awards in 2000 and 2002, respectively. Barry Zito was named the American League's Cy Young Award winner in 2002 while Bobby Crosby and Huston Street earned back-to-back AL Rookie of the Year honors in 2004 and '05.

Beane continually remolds a team that has posted one of the majors' best records over the last past decade, as third baseman Eric Chavez is the only holdover from the 2000 club that captured the American League West Division title. Over the years, his ability to land players such as Kevin Appier, Johnny Damon, Mark Ellis, Cory Lidle, Jermaine Dye, David Justice, Billy Koch, Justin Duchscherer, Keith Foulke, Ted Lilly, Ray Durham, Jose Guillen, Mark Kotsay, Octavio Dotel, Jason Kendall, Dan Haren and Jay Payton has proved instrumental in keying several playoff runs. He continued that trend this past off-season, acquiring three-time All-Star outfielder and 2007 MVP runner-up Matt Holliday from the Colorado Rockies and signing free agent Jason Giambi.

During the past year, Beane's priority was re-stocking the A's minor league system with elite prospects, which will enable the team to sustain winning teams well into the next decade. Remarkably, Beane and Assistant GM David Forst acquired 18 highly coveted young players by trading essentially six Major League players (Nick Swisher, Rich Harden, Joe Blanton, Chad Gaudin, Haren and Kotsay) since the end of the 2007 season.

Under Beane, the A's have adopted an organizational philosophy that stresses plate discipline and pitchers who command the strike zone. Young players on the lowest-level minor league teams receive the same doctrine on developing a solid understanding of the strike zone and control pitching as do the players in the majors.

Beane's executive talents and the organization's baseball philosophy were the subject of Michael Lewis' best-selling book *"Moneyball: The Art of Winning an Unfair Game,"* which opened the eyes of many of the top sports executives and business CEOs in the nation. As a result, Beane remains in great demand on the national speaking circuit, where he regularly addresses top companies on his management approach of identifying and using undervalued assets to create and sustain a competitive edge. He also sits on the board of directors of several companies, including Bell-Easton Sports, ProTrade and NetSuite, Inc.

Beane was named *The Sporting News'* Executive of the Year in 1999 and earned Major League Baseball's Executive of the Year honors by *Baseball America* magazine following the 2002 season. In November of 2001, Beane was named one of *Street & Smith's Sport Business Journal's* "40 Under 40" list, honoring the nation's top 40 sports executives under the age of 40. In 2004, he was rated 16th on *Street & Smith's Sports Business Journal's* list of Baseball's Heavy Hitters.

Further demonstrating his eclectic tastes and unique interests, Beane was invited to speak at Rupert Murdoch's News Corp. management retreat in Pebble Beach, Calif. in 2006, an event that focused on issues such as volunteerism, technology and politics, and featured leaders and luminaries from around the world. Among the VIP who attended were British Prime Minister Tony Blair, Israeli Vice Premier Shimon Peres, former President Bill Clinton, former Vice President Al Gore, former House Speaker Newt Gingrich, former Harvard President Lawrence Summer and U2 lead singer Bono.

Last year, Beane also collaborated with Gingrich and Sen. John Kerry in co-authoring an article in the *New York Times* offering possible remedies for the U.S. health care crisis.

Walt Jocketty, Dick Wienek	1983
Sandy Alderson	1983-97

Beane joined the A's front office staff in 1990 as the club's major league advance scout. In 1993, former A's President and General Manager Sandy Alderson promoted him to the assistant general manager's position when Walt Jocketty left the organization to accept the assistant general manager's job in Colorado. Alderson handed over his general manager's duties to Beane on October 17, 1997.

A first round draft pick (23rd overall) of the New York Mets in the 1980 June Free Agent Draft, Beane played six major league seasons as an infielder, outfielder and catcher for the Mets, Minnesota Twins, Detroit Tigers and Oakland A's. His final season in uniform was 1989 when he was a utility player on the A's World Championship team. Beane retired as an active player in the spring of 1990.

In 2004, the Oakland Athletics implemented the Jim "Catfish" Hunter Award, which is given annually to an A's player whose play on the field and conduct in the clubhouse best exemplifies the courageous, competitive and inspirational spirit demonstrated by the A's late Hall of Fame pitcher.

A native of Hertford, North Carolina, Hunter posted a 224-166 record to go along with a 3.26 ERA in his 15-year Major League career with the Kansas City/Oakland Athletics and New York Yankees. He holds Oakland's all-time career mark for wins (131) and won 20 or more games in five consecutive seasons (1971-75). In 1974, he won the American League's Cy Young Award after winning a career-high 25 games.

"Catfish" earned five World Series rings during his career and was 4-0 with one save in seven World Series appearances with the A's. An eight-time All-Star, he made his major league debut in 1965 with the Kansas City Athletics and did not miss a start until the 1977 season. He was inducted to the National Baseball Hall of Fame in 1987.

"Catfish" was diagnosed with amyotrophic lateral sclerosis (Lou Gehrig's Disease) in September of 1998 and died of complications from the disease on September 9, 1999 at the age of 53.

2008 HIGHLIGHTS

Began his career with a 39.0 inning scoreless streak, which set three records and tied another…it set the modern (since 1900) Major League record to start a career (previously 25.0 by George McQuillan in 1907, PHI-N), the American League record for a rookie (37.0 by Hank Thormahlen in 1918, NYY), and the Oakland record (37.0 by Mike Torrez in 1976)…it tied the modern ML record for the longest single season streak by a reliever (39.0 by Al Benton in 1949, CLE)…the streak tied Christy Mathewson (NYG, 1901) for the second longest streak by an ML rookie and fell two innings short of the record of 41.0 set by Grover Alexander (PHI-N, 1911)…it equaled the longest by an AL pitcher in the designated hitter era (since 1973), matching Kenny Rogers' 39.0 inning streak with Texas in 1995…it was the third longest in Athletics history (53.0, Jack Coombs in 1910; 43.2, Rube Waddell in 1905)…had his ERA under 1.00 until his final outing of the season and finished the year with a 1.06 ERA, which was the lowest among all ML relievers (min. 50 ip)…using the 50 inning minimum, his ERA was sixth lowest in AL history since the earned run became an official stat in 1913…it was second lowest by an Athletic to Dennis Eckersley's 0.61 in 1990…compiled a 3-0 record in 47 games and converted 11 of 13 (84.6%) save opportunities and was named to the Topps Major League All-Rookie team and the *Baseball Digest* Major League Rookie All-Star team…his save total was third best by a rookie in Oakland history (Street 23 in 2005; Fingers 12 in 1969) and he led ML rookies in saves…took over as closer on August 8 and his 11 saves thereafter tied for third most in the AL during that final seven week period…was 17th in the AL in saves for the season…opponents grounded into 20 double plays, which tied Texas' Josh Rupe for the lead among ML relievers…those were the most GIDP by an A's reliever since the statistic was tracked beginning in 1974…topped the previous mark of 17 by Jim Todd in 1975…averaged 3.02 GIDP per nine innings, which is the highest mark by any ML pitcher with 30 or more innings since 1974…allowed just two home runs in 59.2 innings for an average of 0.30 per nine innings, which ranked seventh lowest among AL relievers…struck out just 30 batters for an average of 4.53 per nine innings, which was fifth lowest among AL relievers…averaged 14.0 pitches per inning, which was fourth lowest among AL relievers…allowed a .236 opponents batting average, which included a .198 (21 for 106) mark against right-handed hitters and .280 (26 for 93) against left-handers…allowed both of his home runs to lefties…had 13 walks and 11 strikeouts against lefties and nine walks and 19 strikeouts against righties…opponents hit .290 with the bases empty and .174 with runners on base…including .116 with runners in scoring position…opponents were 0 for 7 with the bases loaded…first batters faced hit .250 and he allowed 5 of 22 (22.7%) inherited runners to score…tossed at least 1.0 inning in 40 of his 47 outings, including 2.0 or more 11 times…did not allow a run in 41 of his 47 outings.

OAKLAND: Began the season at Triple-A Sacramento and was selected by Oakland on May 30…made his Major League debut the next day at Texas, allowed a RBI single to the only batter he faced (Kinsler) and then picked him off for his first ML out…according to Retrosheet, he became the 13th pitcher since 1956 to record his first ML out on a pickoff…he is the second Athletic as Mike Norris did it on April 10, 1975 against Chicago…recorded his first

ML win on June 8 against Los Angeles when he tossed 1.2 scoreless innings…retired 19 consecutive batters from June 20 to July 7…tossed a career high 3.0 innings on July 30 against Kansas City to put his scoreless streak at 30.0 innings…recorded his first save on August 8 at Detroit by tossing 2.0 scoreless innings…had three six-out saves and five saves of more than three outs…posted a 2.55 ERA in 20 outings after taking over as closer on August 8…extended his scoreless streak to 39.0 innings with a scoreless eighth inning on August 14 against Tampa Bay but then allowed a RBI double to B.J. Upton in the ninth inning to end the streak…the double was the first extra base hit he allowed in his career and the 122-at bat streak without an extra base hit to start his career was the longest such streak since Cisco Carlos had a 145-at bat streak for the White Sox from 1967-68…compiled a 2.91 ERA from August 14 until the end of the season…converted each of his first nine save opportunities before he was charged with his first blown save on September 17 against Los Angeles…allowed a two-run home run to Mark Teixeira in the ninth inning to snap a career opening 41-game, 54.0-inning, 204-batter faced homerless streak…it was his first home run allowed as a professional since September 3, 2006 against Frisco (Ben Harrison) while pitching for Double-A Midland, snapping a streak of 110 games, 156.2 innings and 610 batters faced without home run in both the majors and minors...his second blown save came on September 22 at Texas and that was also the result of a home run (Hank Blalock), but the A's came back to win both of the games in which he blew the save…his season ERA was at 0.92 at the conclusion of play on September 22 but he allowed one run in 1.0 inning in his final outing on September 27 at Seattle to finish the season with a 1.06 ERA.

SACRAMENTO: Went 2-0 with a 0.37 ERA in 19 appearances with Sacramento and converted 8 of 10 (80.0%) save opportunities…did not allow a home run in 24.1 innings and struck out 20 while walking just four…allowed a .174 opponents batting average, which included a .118 (6 for 51) mark against right-handed hitters and .257 (9 for 35) against lefties…did not allow a run in eight games and 10.1 innings at home…allowed 3 of 8 (37.5%) inherited runners to score.

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

NINTH INNING COMEBACKS

Only once in Oakland history have the A's trailed by four or more runs heading into their last at bats and come back to win the game. On September 7, 2005, the A's trailed Seattle, 7-3, going into the bottom of the ninth at the Coliseum, but rallied for five runs in the inning for a 8-7 victory. The A's won the game when Eddie Guardado walked Nick Swisher with the bases loaded, scoring Jay Payton with the winning run. Prior to this contest, the last time the A's rallied from a deficit of four or more runs in their last at bat to win a game was on July 4, 1957 in the first game of a doubleheader against the Chicago White Sox. The A's trailed 4-0 heading into their last at bat, only to rally for five runs to pull out a 5-4 victory. Gus Zernial's single to left off Dixie Howell scored Hector Lopez and Joe DeMaestri with the tying and winning runs.

Originally a fifth round January draft pick of the San Diego Padres in 1984 out of Mesa Community College, Sparks' playing career spanned 12 seasons and took him to 16 different cities in nine major league organizations, along with an independent team and the Mexico City Tigers. He played three seasons in the San Diego farm system before signing with the A's organization as a free agent prior to the 1987 campaign. His only two stops at the Triple-A level came in 1991 and 1992, when he played 55 games for Buffalo and 23 games for Toledo, respectively. Sparks concluded his playing career in 1995 in the Atlanta farm system, batting .214 in 65 games at Double-A Greenville.

During the 2002 season, the Oakland Athletics set an American League record by winning 20 consecutive games from August 13 to September 4. It was the third longest winning streak in the Major Leagues since 1900 and was the longest in 67 years. The streak broke the previous American League record of 19 set by the 1906 Chicago White Sox (Aug. 2 to 23) and matched by the 1947 New York Yankees (June 29 to July 17). The streak also bettered the previous Athletics franchise record of 17 set in 1931 (May 5 to 25) as well as the previous Oakland record of 14 set in 1988 (April 23 to May 9). The A's outscored the opposition 141-65 during the streak and trailed in just 10 of the 180 innings. Here's a game-by-game look at Oakland's American League-record 20-game winning streak.

ARIZONA A'S - ROOKIE

MARCUS JENSEN

Manager

Marcus Jensen takes over the reins as manager with the Arizona A's after spending two years as the hitting coach.

Jensen, a former catcher, was drafted by San Francisco in the 33rd round of the 1990 June Draft. He spent the first six years of his career playing at various levels in the Giants minor league system before making his Major League debut on April 14, 1996. He compiled a .184 batting average while playing in 145 career games with San Francisco (1996-1997), Detroit (1997), Milwaukee (1998; 2002), St. Louis (1999), Minnesota (2000), Boston (2001) and Texas (2001). He spent the 2003 season with the Yankees' Triple-A affiliate before closing out his career playing for various independent league teams from 2004-2006. In addition, Jensen was a member of the 2000 U.S. Olympic team that defeated Cuba for the Gold medal.

Jensen makes his off-season home in Scottsdale, Ariz. with his son Marcus.

ARIEL PRIETO

Pitching Coach

Ariel Prieto makes his professional coaching debut as the Arizona A's pitching coach.

A former Oakland 1st round draft selection (5th pick overall) in the June, 1995 free-agent draft, Prieto spent five seasons with Oakland (1995-2000) and one campaign with Tampa Bay. He was the A's Opening Night starter in 1997 and recorded a career-high 22 starts and six wins while posting a 5.04 ERA that year. The right-handed pitcher spent stints on the disabled list each season before undergoing multiple surgeries in 1998 and missing all of the 1999 season due to injury. He compiled a 15-24 record and 4.85 ERA in 70 career appearances, 60 starts. From 2003-2005 Prieto played in the Minor Leagues and in 2006 played on the Winter League team in Mexico.

Prieto is a graduate of Fajardo University in the Isle of Pines, Cuba. He was a member of the Cuban National Team from 1990-1994, where he set the National Team record for strikeouts in one game when he fanned 20 at Nicaragua in 1990.

A native of Havana, Cuba, Prieto makes his off-season home in Miami, Fla. with his wife Janet and daughters Ariel and Melanea.

JUAN DILONE

Hitting Coach

Juan Dilone returns for his second stint as hitting coach for the Arizona A's (also, 2004) after holding the position of coordinator of Dominican instruction for the past four years. Prior to that, he served as hitting coach at short-season Single-A Vancouver (2003) and Single-A Visalia (2002).

Dilone signed a free agent contract with Oakland in 1990 and spent six seasons (1991-94; 96-97) in the A's farm system. A former infielder, Dilone spent his last two seasons at Single-A Modesto, where he batted a career best .265 with 14 home runs in 1996.

A native of Santo Domingo, Dominican Republic, Dilone makes his off-season home in Higuey, Dominican Republic.

THE A'S ELEPHANT

After helping form the American League in 1901, New York Giants manager John McGraw dismissed the A's with contempt by calling them "The White Elephants," implying Connie Mack should not by allowed to spend money without supervision. Mack defiantly adopted the White Elephant as the team insignia and in 1902, the Athletics won their first American League pennant.

The White Elephant remained the team's mascot and later that decade, made its first appearance on the A's team sweaters. In 1918, the Elephant saw its first game action when Mack had the pachyderm symbol (in blue with a white "A" inside) placed on the left sleeve of every player.

By 1920, Mack had fully adopted the Elephant as the team's symbol. The traditional "A" on front of the team's jersey was replaced by a blue elephant logo. After a few poor seasons, Mack decided change was in order. So, in 1924, the blue elephant was replaced by the traditional white elephant on the team's jersey and the A's played better ball for the next few years.

In 1928, Mack decided the elephant had worn out its brief welcome on the A's jersey fronts and replaced the logo with the familiar "A" on the uniform. The A's went on to win two World Championships and an AL crown in the next three years, although the resurgence was probably due more to the additions of Foxx, Simmons, Grove and Cochrane than the elephant's absence.

That was the last year for the elephant on the A's uniform until 1955, when the A's, now in Kansas City, added the patch to their uniform sleeves. However, when Charlie Finely purchased the team in the early 1960's, the elephant was once again sent packing and replaced by, of all animals, a mule.

Prior to the 1988 season, the A's brought back a new, more aggressive A's Elephant. In 1995, the traditional A's elephant was reincorporated into many of the team's promotional items and publications and is now a prominent feature on the A's uniform.

OAKLAND-ALAMEDA COUNTY COLISEUM

The Oakland-Alameda County Coliseum plays host to concerts, conventions and other large gatherings in addition to serving as the home for the Oakland Athletics and Oakland Raiders.

The A's have used the facility to its advantage over the years, posting the second best home record (492-318, .607) in the Major Leagues over the last 10 seasons. In 2003, the A's set an Oakland record for home wins as they finished with a 57-24 (.704) record in the Coliseum, marking the most home wins in franchise history since 1931 when the Philadelphia Athletics went 60-15 at home. In addition, two of the A's World Championships have been clinched on the Coliseum's turf. The Coliseum's exceptional sight lines, fine weather and sizable staging areas have all contributed to its popularity among performers, promoters and the Bay Area public.

The facility is conveniently located adjacent to I-880 with two exits (Hegenberger Road/66th Avenue) leading directly to the complex. Along with the Oracle Arena, which is located adjacently, it is the only major entertainment facility with a dedicated stop on the Bay Area Rapid Transit (BART) system. The Oakland International Airport is less than a two-mile drive from the Coliseum with shuttle service to several local hotels and restaurants.

In October of 1995, the Coliseum began a one-year, $120 renovation project that added 22,000 new seats, 90 luxury suites, two private clubs and two state-of-the-art scoreboards.

The first crowd filled the Oakland-Alameda County Coliseum on Sept. 8, 1966, when the AFL's Oakland Raiders played the Kansas City Chiefs. The adjacent arena celebrated its grand opening on Nov. 9, 1966, when the Oakland Seals met the San Diego Gulls in hockey. In the ensuing 42 years, the facility has hosted every conceivable event in the entertainment industry. Audiences numbering nearly 100 million have made the Coliseum and Arena the premier entertainment facilities in Northern California.

The Coliseum is currently one of only three stadiums in the country that houses both a MLB and NFL team, the others being the Hubert H. Humphrey Metrodome in Minneapolis, Minn. (Twins and Vikings) and the Dolphin Stadium in Miami, Fla. (Marlins and Dolphins).

OAKLAND A'S IN THE COMMUNITY

Community FUND

The Oakland Athletics organization, in conjunction with the A's Community Fund, strives to make a positive impact in the Bay Area and Northern California. A's players, coaches, and front office employees, together with fans and sponsors, are committed to meeting the social, cultural and educational demands in the community. The A's host numerous fundraising events, have implemented several educational programs, support various causes and organizations and connect with many different people.

Information regarding Oakland Athletics community programs can be found online at oaklandathletics.com. Requests for donations and player appearances must be submitted in writing and addressed to the following: Oakland Athletics, Community Relations, 7000 Coliseum Way, Oakland, CA 94621.

OAKLAND A'S COMMUNITY FUND: The Oakland A's Community Fund supports more than 1,500 charitable organizations through monetary contributions and donated auction items each season in their efforts to support charitable organizations in improving the quality of life for people throughout the Bay Area. Specifically, to fund endeavors to improve educational programs, aid the underprivileged, assist in crime and drug prevention, promote health awareness, and champion children and senior welfare. The A's Community Fund believes in the need to invest in the community's future. The A's Community Fund donates approximately $650,000 annually to various community programs.

A'S BREAST CANCER AWARENESS DAY: The A's host a Breast Cancer Awareness Day, presented by Olay Skin Care, each year to raise funds for breast cancer education and research. Funds are raised through the sale of special ticket packages, commemorative pins and caps, an A's autographed quilt raffle and sponsor support. Pre-game ceremonies include the formation of a symbolic human pink ribbon on the field by over 300 Bay Area survivors, the release of white doves as a symbol of hope and a presentation of the "Gift of Faith" grant, which donates $5,000 annually to a local charity in memory of longtime KTVU Channel 2 reporter, the late Faith Fancher. Over the past 10 years, the A's have raised over $1,000,000 for breast cancer education and research on A's Breast Cancer Awareness Day.

MUG ROOT BEER FLOAT DAY: Each year the A's and Pepsi host MUG Root Beer Float Day to raise funds for the Juvenile Diabetes Research Foundation. Proceeds are raised through the sale of root beer floats, tips given in exchange for autographs and pictures with the celebrity scoopers, the sale of autographed mugs, a silent auction of sports memorabilia and an on-line auction titled "Be a Celebrity Scooper." Over the past nine years, the A's have raised over $265,000 for various charities through MUG Root Beer Float Day.

HOME RUN READERS PROGRAM: The A's Home Run Readers program encourages teachers to establish reading goals for their students based on each child's individual reading level. As incentives, A's players, coaches, mascot Stomper and front office employees visit participating schools to congratulate the students and to encourage them to continue reading, both inside and outside of the classroom. Students who participate in the program attend the game on Home Run Readers Day as guests of the A's and the California Police Youth Charities.

"MATHLETICS" PROGRAM: The "Mathletics" program is a unique program designed to promote the importance of math among Bay Area youth. The A's design and distribute workbooks to participating schools which utilize simple formulas for calculating statistics of A's players. Students who complete their workbooks correctly and submit the answer sheet to the A's, receive two vouchers for an A's game. In addition, one school that demonstrates outstanding participation in the program receives a visit from an A's player. The "Mathletics" program is sponsored by Ross Dress For Less.

GREEN STAMPEDE HOMEWORK CLUB: Before select A's home games, teachers and volunteers from local public schools offer tutoring for at-risk students at the Oakland-Alameda County Coliseum. Students who attend the study group are rewarded with tickets to that night's game and if they attend all eight sessions they receive a visit from an A's player.

A'S BASEBALL BASICS: The A's Baseball Basics program allows aspiring young ball players to receive inside tips from an A's player during a pre-game chat. In addition, each child receives a game ticket and an A's hat.

TAKE THE FIELD WITH THE A'S: Prior to select games, members of local baseball and softball teams accompany A's players as they take the field, stand with them during the National Anthem and receive an autographed baseball.

LITTLE LEAGUE DAYS: Members of organized youth baseball programs are offered discounted group ticket prices to attend one of the two designated Little League Days with the A's, presented by Bank of America. Little Leaguers (age 14 and under) attend a pre-game festival, are greeted by A's players as they parade around the field and receive the A's kid's giveaway item for that date.

FIELD RENOVATIONS: The A's Community Fund, in partnership with the Good Tidings Foundation, renovates a local baseball or softball field in order to provide local youth a state-of-the-art facility. Over the past few years, the A's and Good Tidings Foundation renovated the baseball and softball fields at Washington High School in Fremont, Rickey Henderson Baseball Field located at the Arroyo Viejo Recreation Center in East Oakland and Bambino Field at the Greenman Field Baseball Complex.

A'S AMIGOS: The A's Amigos program gives Hispanic children the opportunity to speak with a Spanish speaking A's player about the importance of education, sportsmanship and hard work. In addition to a pre-game visit, each child receives a game ticket and an A's cap. The A's Amigos program is sponsored by Kelly-Moore Paints.

LITTLE A'S: Each year, over 10,000 children from low to moderate-income families are treated to A's games and receive an A's pin and a pennant as part of the Little A's program, sponsored by Union Bank of California and supported by Clorox.

HOLIDAY PARTY: Each year the A's Community Fund, Round Table Pizza and the Oakland Zoo hosts a holiday party for local school children. A's players and coaches are present to sign autographs and distribute gifts to each child. The holiday festival includes pizza and juice, carnival games, face painters, balloon artists, a tour of the Children's Zoo and appearances from the A's mascot Stomper and Santa Claus.

HOLIDAY CARAVAN: During the offseason, current and former A's players, A's owner Lew Wolff, front office staff and the A's mascot Stomper make stops around the Bay Area during the A's Holiday Caravan. The caravan features visits to schools, hospitals, shelters, schools, meet-and-greets, charity toy drives and appearances at holiday parades and malls and other public places.

TICKET PURCHASE PROGRAM: Oakland A's players, the A's Community Fund and corporate sponsors purchase and donate thousands of tickets to various charity and non-profit groups each season.

SILENT AUCTION: The A's Community Fund holds silent auctions of various sports memorabilia behind section 120 on all Saturday and Sunday home dates. The A's Community Fund donates a portion of the proceeds to designated charity groups as a silent auction partner on selected dates throughout the season.

A'S COMMUNITY FUND GOLF CLASSIC: This annual tournament pairs participants with A's players, former players, coaches and front office employees for a day of golf at one of the Bay Area's top courses. The event features breakfast, tee prizes, an awards dinner banquet and live and silent auctions of sports memorabilia and other prizes. All proceeds benefit the Oakland A's Community Fund.

A'S DINNER ON THE DIAMOND: This annual dinner with A's players and their families is hosted by A's Owner and Managing Partner Lew Wolff and his daughter Kari Wolff, with proceeds benefiting the Oakland A's Community Fund. A's Dinner on the Diamond is sponsored by the Wolff and Fisher families.
